The Ministry of Financial Services, Good Governance and Institutional Reforms is fully committed to ensure compliance with the Occupational Safety and Health Act 2005 and Regulations falling under the aforementioned Act.

Management is firmly committed to a policy enabling all work activities to be carried out safely and with all possible measures taken to remove or at least reduce risks to the health and safety of not only our officers but also contractors, suppliers, customers, members of the public and authorised visitors.
VISION

Transform Mauritius into a Centre of Excellence and promote wealth and good governance.

MISSION

To provide guidance and support for the enforcement of good governance, promotion of financial services and reengineering of public sector bodies to eradicate fraud, corruption, malpractices and irregularities in all aspects of public life and restore the national values of the country.
STATEMENT OF INTENT

Our statement of general policy is to:

- provide and maintain a safe and healthy working environment, equipment, and systems of work in the workplace;

- manage safety and health risks to which employees might be exposed at work by implementing control measures identified through risk assessments;

- constantly improve health and safety at the place of work through Safety and Health Committees;

- provide information, instruction, training and supervision to employees to ensure safe systems of work;

- ensure that this Policy Statement is understood and implemented throughout the Ministry; and

- review and revise this policy as necessary at regular intervals.
